Staff Orientation

Conflict of Interest Disclosure

In addition to completing the Compliance and HIPAA training below, please also submit a Conflict of Interest Disclosure form.

Compliance

The goals of this education are to familiarize you with the Health Care District's Compliance Program, refresh your knowledge of compliance laws and regulations, as well as the District's policies and procedures, and to help you understand your responsibilities under the District's Compliance Program. The Compliance course takes approximately 30 minutes to complete.

There is an assessment at the end of this training that can only be

accessed after you have completed this course. You must score at least 80% to pass.

HIPAA

The goals of this course are to understand the Federal and state laws and regulations related to privacy and security, to understand the District's HIPAA policies and procedures, to identify ways to safeguard protected health information, and to understand your responsibilities in ensuring HIPAA compliance. This course takes approximately 30 minutes to complete. There is an assessment at the end of this training that can only be accessed after you have completed both the Compliance course and this course. You must score at least 80% to pass.

Getting Started

New or existing Health Care District employees will need to register here. During registration you will be prompted for a registration code. If you have not been given this registration code, please contact Human Resources at (561) 804-5800.

If you have not taken a course at My Health Care District Training before, you will need to register an account. If you are not an employee of The Health Care District, please register here

If you already have an account, but have forgotten your password, you may reset it here.
