FAQs - Health Care District Coverage & ACA

Is the Health Care District going to continue offering District Cares (formerly Option1) and the Maternity Care Plan?

Yes.

Does the Health Care District's District Cares (formerly Option1) and the Maternity Care Plans meet the federal Affordable Care Act (Obamacare) minimum essential coverage

requirements?

I understand that beginning in January 2014, I must have health insurance or I will have to pay an IRS Income Tax penalty. Will the health coverage I have through the Health Care District's District Cares (formerly Option1) and the Maternity Care Plans protect me from the IRS Income Tax penalty?

Where can I learn more about health insurance that meets the minimum essential coverage requirements and protects me from the IRS Income Tax penalty?
