## Our Medical Staff

Our highly-trained, qualified and professional medical staff is comprised of clinicians who are Board-certified in the primary care specialties of Family Practice, General Practice, Pediatrics and Mental Health Services.

Assisting the clinicians are nurse practitioners and family practice residents who work together to provide high-quality medical care. Registered Nurses work with Certified Medical Assistants using technologically-advanced health care equipment and treatment programs.

A Patient Financial Counselor and Case Manager will refer patients to other social and health care services.

## Billing for services

**The C. L. Brumback Primary Care Clinics serve patients regardless of ability to pay.**

Your financial responsibility for services will be based on your financial classification, the services you receive, and any insurance co-payments.<sup>TOP</sup>

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number H80CS25684 for Health Center Cluster in the award amount of \$7,278,563. Of the total project, 86.4% is financed with nongovernmental sources. This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government.

The C. L. Brumback Primary Care Clinics were granted Federal Tort Claims Act (FTCA) deeming status effective January 1, 2024.
