As of 7/7/2023: Standards for the Appropriate Use of Facial Coverings for Infection Control at the
Edward J. Healey Rehabilitation and Nursing Center

Health care providers, contractors, students and volunteers are no longer required to wear facial coverings. Facial covering may be encouraged for anyone that is exhibiting signs or symptoms of or has a diagnosed infectious disease that can be spread through droplet or airborne transmission. Health care providers, contractors, students, visitors and volunteers have the right to Opt-Out of wearing facial coverings. Health care providers will be required to wear facial covering when: conducting sterile procedures, working in a sterile area, working with a patient that has been diagnosed with or confirmed of having an increased risk of transmission of an infection and the practitioner has determined the use of facial coverings necessary for the patient's safety or with a patient is on droplet or airborne precautions.

Comprehensive Rehabilitation and Skilled Nursing

Providing a Continuum of Specialized Care from Hospital to Home

The new Edward J. Healey Rehabilitation and Nursing Center, a 120-bed facility which opened in 2013, provides top-quality short-term and long-term rehabilitation and 24/7 skilled nursing care for eligible adult county residents.

We are a non-profit facility, funded and operated by the tax-supported Health Care District of Palm Beach County as part of its mission to provide access to quality health care services to residents.
