

Welcome from the Hospital Administrator

It is my pleasure to welcome you to Lakeside Medical Center, where we are committed to providing safe, quality and effective care with compassion. My home in the Glades area began when I was one year old. I have dedicated my nursing career for the past 35 years to the health and well-being of the patients in the western communities and region. You may remember me from the C. L. Brumback Health Center in Belle Glade where I was the Administrator before joining the team at

Lakeside Medical Center. Let me assure you that your hospital experience is my top priority.

We are an “A” rated, top hospital in the nation for patient safety, as

recognized by Leapfrog's Hospital Safety Grade for the fall of 2018. Lakeside Medical Center has also received the 2018 Florida Hospital Association (FHA) Hospital Improvement Innovation Network (HIIN) Award for excellence in patient safety.

Lakeside Medical Center is accredited by The Joint Commission and our Family Medicine Residency Program makes us one of the few rural teaching hospitals in the state of Florida.

What makes us truly special is the team of dedicated doctors, nurses, clinical and support staff who are committed to improving your health and well-being in our compassionate and patient-centered environment.

I have an open-door policy and welcome your comments and suggestions concerning the care you receive while a patient at Lakeside Medical Center. Please feel free to contact me at jmorelan@lmcpbc.org or 561-996-6571, ext. 348500.

We know you have choices when you seek hospital services and I personally thank you for selecting Lakeside Medical Center as your hospital for care.

Sincerely,

Janet D. Moreland, APRN, MSN, LHRM
Hospital Administrator
