MEMO

To:	Finance & Audit Committee
From:	Jessica Cafarelli, Interim VP & Chief Financial Officer
Date:	December 14, 2023
Subject:	Management Discussion and Analysis as of September 2023 Health Care District Financial Statements

The September statements represent the financial performance through the twelfth month of the 2023 fiscal year for the Health Care District. Total revenue year to date (YTD) of \$269.7M is favorable to budgeted revenue of \$253.5M by \$16.2M or 6.4%. Operational expenditures YTD are \$28.2M favorable to budget or 11.1%. YTD, the consolidated net margin is \$38.5M, with a favorable variance to budget of \$44.7M.

The General Fund YTD total revenue of \$195.2M is favorable to budget of \$184.0M by \$11.2M. This overall favorable variance is due to unrealized gain, and interest earnings from investments. The unrealized gain on investment of \$1.8M represents an increase in current market value of the investment portfolio held by the District. Changing interest rates are favorably impacting the portfolio's value, however, this increase in portfolio value would only be realized should the District liquidate its portfolio or underlying investments. Repositioning of cash to short term investments is also taking advantage of rising interest rate. Expenditures in the General Fund YTD before overhead allocation are favorable to budget by \$21.5M or 16.5%. Significant categories of favorable YTD budget variances include; salaries, wages and benefits of \$1.0M, purchased services of \$6.8M, medical services of \$9.6M, repairs and maintenance of \$997k, other expense of \$1.0M, and insurance of \$887k.

The General Fund YTD has a net margin of \$105.9M versus a budgeted net margin of \$78.8M, for a favorable net margin variance of \$27.1M or 34.4%.

i

The Healey Center total revenue YTD of \$18.8M was favorable to budget by \$1.2M. This favorable variance is primarily due to lower contractual allowances, less charity care being recognized, and settlement payments increasing other revenue. Total YTD operating expenses before overhead allocation of \$21.8M were favorable to budget by \$262k or 1.2%. This favorable variance is mainly due to savings in the categories of purchased services of \$291k. The YTD net margin after overhead allocations for the Healey Center was a loss of (\$6.7M) compared to the budgeted loss of (\$9.0M) for a favorable variance of \$2.3M or (25.3%).

Lakeside Medical Center total revenue YTD of \$27.1M was favorable to budget by \$2.1M or 8.5%. This favorable variance mainly resulted from less contractual allowances, charity care and bad debt write off than anticipated. Net patient revenue YTD of \$26.8M was over budget by \$2.3M or 9.4%. Total operating expenses YTD of \$45.4M were favorable to budget by \$3.3M or 6.8%. The YTD net margin after overhead allocations at Lakeside Medical Center was a loss of (\$30.5M) compared to a budgeted loss of (\$38.6M) for a favorable variance of \$8.1M or (21.0%).

The Primary Care Clinics total revenue YTD of \$22.7M was favorable to budget by \$1.7M or 7.9%. Net patient revenue YTD was favorable to budget by \$535k or 5.4%. Total operating expenses YTD for the clinics are favorable to budget by \$3.5M or 9.4%. This favorable variance is primarily due to salaries, wages, and benefits \$2.3M, purchased services \$362k, other supplies of \$283k, repair and maintenance of \$196k, and lease and rental of \$481k. The primary reason for savings is personnel vacancies earlier in the fiscal year and a delay in clinic site moves. Total net margin YTD after overhead allocations for the Primary Care Clinics is a loss of (\$18.9M), compared to budgeted loss of (\$26.4M) for a favorable variance of \$7.5M or (28.3%).

Cash and investments have a combined balance of \$203.9M, of which \$4k is restricted. Due from other governments of \$8.0M includes grants receivable of \$5.9M and tax collector receivable of \$2.1M. Total net position for all funds combined is \$246.7M.

This policy applies to all District employees.

POLICY

The Health Care District of Palm Beach County will maintain a compensation program designed to attract, retain, and reward a qualified and diverse workforce. The Health Care District is committed towards consistent pay practices offering competitive pay that examines internal equity and external compensation equity using national and local market data. In order to ensure a competitive compensation program, the District leverages market surveys to ensure employees compensation is at fair market value, subject to financial feasibility, and approved budgets. The Chief Executive Officer, as well as the Chief Human Resource Officer, may evaluate the lawfulness appropriateness of the Health Care District's pay practices and identify necessary corrective action including modification of compensation and or benefits at their discretion within the boundaries of financial feasibility. This includes matters related to but not limited to general compensation administration, merit, administrative pay correction procedures, paid time off, emergency pay and employee relocation. The Health Care District Compensation and Benefits Pay Practices Policy governs all policies and procedures related to compensation and benefits.

PURPOSE

This policy provides clarification regarding District Fund Balances and corresponding reserve funds.

SCOPE

This policy applies to all District Funds.

DEFINITIONS

GOVERNMENTAL FUNDS

General Fund – The main operating fund of the District is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds – The District accounts for all revenues and expenditures related to the Medicaid Match program in this fund.

Capital Projects Funds – These funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditures for capital outlays, including acquisition or construction of capital facility and other capital assets.

PROPRIETARY FUNDS

Enterprise Funds – These funds are used to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent is that the costs of providing goods or services to the general public on a continuing basis are financed or recovered primarily through user charges. The District reports the Healey Center, Healthy Palm Beaches, Lakeside Medical Center and Primary Care Clinics as enterprise funds.

FIDUCIARY FUNDS

Fiduciary Funds – These funds are used to account for assets held by the District in a trustee capacity for individuals, private organizations, other governmental units, and other funds. Since the assets do not

belong to the District, they are not included in the government-wide financial statements. The District has Pension Trust Funds, and Resident Agency Fund, and the Medicaid LPPF Fund for which it is the fiduciary.

POLICY

<u>Measurement focus and basis of accounting</u> – The measurement focus and basis of accounting used is dependent upon the fund or funds involved.

Governmental funds use the flow of current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized if they are measurable and available for use during the year. For this purpose, the District considers revenue to be available if it is collected within 60 days of year-end. Expenditures are recognized when the related fund liability is incurred, if measurable.

The government-wide, proprietary, and pension funds use the economic resources measurement focus and the accrual basis of accounting. Under these accounting principles, revenues are recognized in the period earned, and expenses are recognized in the period the liabilities are incurred.

<u>Fund Balance Reporting</u> - In the fund financial statements, governmental funds report equity classifications that comprise a hierarchy based primarily on the extent to which the District is legally bound to honor constraints on the specific purposes for which amounts in fund balance can be spent. The fund balance classification hierarchy is summarized as follows:

Nonspendable – Nonspendable fund balances include amounts that cannot be spent because they are either: a) not in spendable form, or b) legally or contractually required to be maintained intact.

Restricted – Restricted fund balances include amounts that are restricted to specific purposes either by: a) constraints placed on the use of resources by creditors, grantors, contributors, or laws and regulations of other governments, or b) imposed by law through constitutional provisions or enabling legislation.

Committed – Committed fund balances include amounts that can only be used for specific purposes pursuant to constraints imposed by the District's Board of Commissioners through a Board Resolution and remain in place until action is taken by the District Board to remove or revise the limitation.

Assigned – Assigned fund balances include amounts that are constrained by the District's intent to be used for specific purposes, but are neither restricted not committed. Assignments are made by the

District's chief executive officer or upon direction of the District Board. Assignments are generally temporary and do not require District Board action for removal.

Unassigned – Unassigned fund balances include amounts that have not been assigned to other funds and have not been restricted, committed, or assigned to specific purposes within the General Fund.

The District considers restricted fund balances to be spent when an expenditure is incurred for the restricted purpose. The District considers committed, assigned, or unassigned fund balances to be spent when an expenditure is incurred for purposes for which amounts in any of those fund balance classifications should be used.

When the District has both restricted and unrestricted resources available to finance a particular program, it is the District's policy to use the restricted resources before using unrestricted resources.

Budgetary Basis - All encumbrances lapse at fiscal year-end.

Stabilization Fund Policy – The District's policy is to maintain an adequate unassigned balance in the General Fund to provide the District with a "rainy day" fund for use in unforeseen, unbudgeted emergency situations, such as material sustained declines in real estate values, non-reimbursable natural disaster or global pandemic expenditures, unforeseen excessive litigation, economic downturn or budget shortfall. The target level for the Stabilization Fund is 15-25% of all combined fund annual expenditures and capital expenditures. The need to draw funds from the stabilization account, wherein the balance drops below the target level of 15-25% of all combined fund annual expenditures, will require District Board approval. The Stabilization Fund balance will be set annually within the target level of 15-25% by the Board as part of the budget process.

<u>Capital Improvement Policy</u> - The District will develop a five-year capital improvement program as part of each year's annual budget process and will make capital improvements in accordance with the adopted annual budget. The District CFO will determine and recommend to the Board, the most appropriate financing method for all capital projects.

<u>Depreciation Reporting</u> – Depreciation is recorded in the proprietary funds as a non-cash expense, which is not subsidized by the General Fund. This is done to better align the proprietary funds with their peers for benchmarking, as well as to give a more accurate estimate of the cost of running the business line. This expense is budgeted in order to align the budget with financial reporting. However, it is excluded

from the adopted budget approved by the Board, in order to avoid over-estimating the annual resources necessary from the tax payers through millage assessments.

<u>Capital Projects Reserve Balance</u> – The balance in the capital projects reserve fund should be evaluated annually and funded at sufficient levels to avoid significant annual fluctuations in funding. The balance should include funding for capital lease obligations, as well as approximately 20% of the total capital expenditures in the five-year capital improvement program, which will be re-evaluated annually.

This policy is intended to operate and be applied in conjunction with other approved District Finance policies. In the event of an inadvertent conflict among the policies, the Chief Financial Officer shall exercise judgment in applying policy until the conflicting language can be reasonably resolved. Additionally, should any guidance in this policy conflict with the pronouncements of authoritative government accounting standard-setting bodies, then the Chief Financial Officer shall have the discretion to comply with such pronouncements until a revised policy may be reasonably presented for approval.

1. Description: Internal Audit FY24 Workplan

2. Summary:

The agenda for Internal Audit will include the Internal Audit Workplan for FY24.

3. Substantive Analysis:

To prepare the Internal Audit Workplan for FY24, Internal Audit (IA) reviewed the risks that currently exist for Health Care entities as well as the universe of Health Care District (HCD) specific auditable areas. The highest risks for the Health Care District of Palm Beach County were discussed with the CEO and CFO, and IA developed the workplan based on their input.

Some of the IA workplan will be spent on continued follow-up from prior reviews, which include assisting in Vendor Risk Management. HCD Management has determined that 70% of IA time will be spent on Oracle Implementation assistance on a consulting basis in oversight of testing, and review of internal controls. The HCD identified that, consistent with the industry, that it is the right time to focus on improved processes and controls around the workforce, as the significant rising cost of healthcare workers, competition from other providers and workforce shortages, require better systems in place to assist in attracting and retain qualified healthcare workers. The Enterprise Resource Planning (ERP) Post Implementation assistance will continue, as well as IA assistance with the ongoing FY24 Human Capital Management (HCM) project to include ongoing User Access Reviews.

IA will perform pre-Implementation activities to support business and IT processes in the HCM domains by reviewing legacy process documentation and intended business process design documents to understand functional specifications. IA will also review End-to-End and User Acceptance test scenarios and monitor progress through completion of scenarios validating internal controls; ensuring test plans were developed and tracked; that the individuals involved in the design of the controls were involved in testing; and that testing addressed the full range of business scenarios.

The remaining hours on the IA workplan will focus on multiple significant and moderate risk projects, with the intent to identify key controls as well as opportunities to utilize data analytics to assist in identifying gaps for resolution, for example, a continued review of Duplicate Payments. The Ground Transportation review had been planned in FY23, but it has been deferred to FY24 and will focus on the revised service delivery model which includes nurses. The key processes by which HCD is managing Insurance Denials will continue to be reviewed, as well as key processes around managing Charity Care and Uncompensated Care. Lastly, IA

will continue to review all HCD Credit Card and Payment locations for Cash Controls and PCI Compliance.

Please see below for a summary of the IA Workplan. The risk scores were compiled based on a score of 1-5, in the following areas: Occurrence/Control, Legal/Regulatory, Management Concern, Reputational, and Financial. There were no High risks noted.

3. Substantive Analysis:

The practitioners have satisfactorily completed the Recredentialing and privileging process. The credentialing and privileging process ensures that all facility practitioners meet specific criteria and standards of professional qualifications. This criterion includes, but is not limited to:

- Current licensure
- Relevant education, training and experience
- Current clinical competence
- Health fitness, or ability to perform the requested privileges
- Malpractice history (NPDB query)

Primary source and secondary source verifications were performed for credentialing and privileging elements in accordance with state and federal requirements. A nationally accredited Credentials Verification Organization (CVO) was utilized to verify the elements requiring primary source verification.

The Healey Center utilized internal Credentialing staff and the Chief Medical Officer to support the credentialing and privileging process.

1. Description: District Clinic Holdings, Inc. Bylaws Amendment

2. Summary:

This agenda item presents proposed amendments to the Bylaws of District Clinic Holdings, Inc.

3. Substantive Analysis:

At the October 25, 2023 District Clinic Holdings, Inc. Board meeting, the Board approved the Bylaws changes presented below. The Clinic Bylaws currently require that the Board review and approve any Bylaw changes at two meetings, as outlined in Section 14, Amendments.

Staff recommends amending Section 12, Meeting. The proposed changes are as follows:

• Adding Section 12.6 to state, Board members may participate in meetings of the Board by means of telephone, video teleconferences, or similar communications equipment provided all Board members participating in the meeting can hear each other. Participation pursuant to the foregoing shall constitute presence in person at the meetings and shall be counted towards the quorum.

Staff also recommends amending Section 14, Amendments. The proposed changes are as follows:

• Revising to remove language requiring the Bylaws to be submitted at a regularly scheduled meeting and voted on at the succeeding regularly scheduled meeting, and removing the requirement that the Bylaws Amendments are subject to approval from the Regional Office of the Department of Health and Human Services.

Attached for your review are the updated Bylaws showing the proposed changes.

DISTRICT CLINIC HOLDINGS, INC.

AMENDED BY-LAWS

Section 1 – Statutory Authority

- 1.1 Statutory Authority. These Bylaws have been adopted as the Bylaws of the District Clinic Holdings, Inc. ("Clinics") governing board of said Clinics pursuant to authority conferred upon that same governing board by Section 330 of the Public Health Service Act.
- 1.2 Health Care District of Palm Beach County. The term "District," as used in these Bylaws, means the Health Care District of Palm Beach County and all affiliated entities.

Section 2 – Name

- 2.1 District Clinic Holdings, Inc. will be known as the "C.L. Brumback Primary Care Clinics" which shall be the common business name of the clinics.
- 2.2 Board Name. This authority shall be known as the C.L. Brumback Primary Care Clinics Board of Directors. (hereinafter referred to as the "Board")

Section 3 – Purpose

3.1 Purpose. The purpose of the Board is to ensure that persons have access to high quality comprehensive health services, and that such health services are provided without regard to any persons race, color, national origin, ancestry, religion, sex, marital status, sexual orientation, age, physical handicap, medical condition, medical history, genetics, evidence of insurability, or claims history in compliance with all applicable State, Federal and local laws and regulations.

Section 4 – Offices

4.1 Offices. The Board shall have and continuously maintain its principal office at the Heath Care District of Palm Beach County administrative office located at 1515 N Flagler, Suite 101, West Palm Beach, FL 33401.

Section 5 – Objectives

- 5.1 The objectives of the Board are as follows:
 - a. Improvement of the general health status of the community through the promotion of preventive health services and early identification and treatment of the disease.
 - b. Identification and referral of individuals in need of health and social services.
 - c. Participation in the development of the Federal grant application.
 - d. Monitoring services provided by the clinics to ensure that community needs are being met

within the constraints of the agency.

- e. Ensure that professional standards are maintained.
- f. Interpret the health needs of the community to clinic administrative staff and interpret the services provided by the clinics, to the community.

Section 6 – Powers

- 6.1 General Powers. The Board is vested with authority and responsibility to provide for the comprehensive planning and delivery of adequate health care services, including, but not limited to, clinical services for the citizens of Palm Beach County, particularly medically needy citizens. For those purposes, the Board shall have and may utilize all enumerated general powers as set forth in the Health Care Act, including but not limited to:
 - a. To approve and recommend the budget of the clinic operations annually. Monthly financial reports will be provided to the Governing Board at the regularly scheduled meetings. An annual financial audit and financial report by an independent auditor will be submitted to the Governing Board.
 - b. To be responsible for approving the selection and dismissal of the Executive Director within the guidelines of the Health Care District of Palm Beach County Personnel Policies and Procedures.
 - c. To provide input from the community, regarding appropriate matters, including, but not limited to, the health care needs of the community served.
 - d. To continually provide information about the accessibility of services to the community and the clinic's responsiveness to those needs.
 - e. To provide guidance regarding services and their priorities; and to establish how these priorities should be ranked as they pertain to program development.
 - f. To provide a viable link with the community, engaging in community education, public relation activities and other activities which promote community identification and understanding of the clinics and services provided.
 - g. To provide a nucleus in the community which reaches out to local agencies, governmental entities, and foundations, etc., to support the clinics financially and otherwise.
 - h. Establish and approve general policies for the clinics. The Board acknowledges that the District is the public entity co-applicant and is permitted to retain the responsibility of establishing fiscal and personnel policies. When the public entity's board does not meet health center composition requirements, a separate health center governing board may be established. The health center board must meet all the membership requirements and perform all the responsibilities expected of governing boards except that the public entity may retain

the responsibility of establishing fiscal and personnel policies. The health center board can be a formally incorporated entity and it and the public entity board are co-applicants for the health center program. When there are two boards, each board's responsibilities must be specified in writing so that the responsibilities for carrying out the governance functions are clearly understood.

- The Board shall work collaboratively with the District to specify each board's responsibilities, in writing so that the responsibilities of carrying out the governance functions are clearly understood by both boards.
- i. To be responsible for evaluating health care activities including services utilization patterns, productivity of the clinics, patient satisfaction, achievement of project objectives, and development of a process for hearing and resolving patient grievances.
- j. To assure that the clinics are operated in compliance with applicable federal, state and local laws, rules and regulations.
- k. To adopt health care policies, including scope and availability of services, location and hours of services.
- 1. To assure compliance with the approved Quality Improvement/Quality Assurance Plan.
- m. To establish and review policies regarding the conduct of the federally funded project.
- n. Responsible for evaluating the clinics projects and achievements at least annually, and using the knowledge gained to revise its mission, goals, objectives, plans, and budgets as may be appropriate and necessary.
- o. Responsible for the annual performance evaluation of the Executive Director.
- p. To recruit, appoint, re-appoint, credential and discipline the Licensed Independent Practitioners of the Clinics and to approve policies to be adopted by the Clinics. The term Licensed Independent Practitioner shall mean any individual, as permitted by law and regulation, and also by the Clinics, to provide care and services without direction or supervision within the scope of the individual's license and consistent with the privileges granted by the organization. The foregoing shall be in accordance with applicable state, federal and local laws, rules and regulations, and in accordance with the standards of any applicable accrediting body. The Board may, in its discretion, delegate duties related to the performance of recruitment, appointment, credentialing and discipline of medical staff to the appropriate Medical Director/Dental Director except that recommendations regarding appointment, credentialing and discipline shall be presented to the Board by the Medical Director for consideration and final vote.

Section 7 – Board Member Responsibilities

7.1 *Key function and responsibilities.*

- a. Attends and participates in all Board meetings.
- b. Each board member should be prepared for the meetings (i.e., read reports and minutes provided prior to the meetings and be familiar with the agenda), ask questions (as appropriate).
- c. Express his/her opinion and be respectful of the opinion of other members.
- d. Act in the best interests of the clinics at all times.
- e. Ensure confidentiality of clinics' information.
- f. Conflicts of Interest. Board members shall not enter into contracts or other arrangements or transactions that would be, or would give the appearance of, a conflict of interest. Further:

1. Board members are subject to the provisions of Florida law pertaining to public officials avoiding conflicts of interest including, but not limited to, Ch. 112, Florida Statutes, the Code of Ethics for Public Officers and Employees, as well as any and all other applicable standards established by the applicable regulatory and accreditation agencies

2. No Board member, administrator, employee or representative of the Clinics, nor any other person, organization or agency shall, directly or indirectly, be paid or receive any commission, bonus, kickback, rebate or gratuity or engage in any fee-splitting arrangement in any form whatsoever for the referral of any patient to the District or Clinics.

Section 8 – Membership Composition

- 8.1 Orientation. As new members are elected or appointed to the Board they shall receive an orientation regarding C. L. Brumback Primary Care Clinics Board to include, but not be limited to, their authority and responsibility under the 330 grant requirements, legal status, and relation to the Health Care District of Palm Beach County and a review of these By-Laws.
- 8.2 The Board shall consist of 9-13 members.
- 8.3 A majority of the Board members will be users of the in scope clinic's services within the past twentyfour months. A patient is an individual who has generated at least one health center visit. These members will be representatives of the individuals receiving services at any of the clinics.
- 8.4 The user Board members as appropriately defined in the Bylaws are consistent with applicable law, regulations and policy.
- 8.5 User Board members are defined as individuals who are (or, for planning grantees, will be) served by the clinics and who utilize the clinics as their principal source of primary care and who have used the clinic's services within the last two years.

- 8.6 Board members must live in one of the clinic's service areas.
- 8.7 No more than half of the remaining members of the Board may be individuals who derive more than 10% of their annual income from the healthcare industry. Healthcare industry is defined as "hospitals and other healthcare institutions, nurses, doctors, dentists, and other licensed healthcare professionals whose primary responsibility is providing primary preventive and therapeutic healthcare services".
- 8.8 The remaining members of the board must be representatives of the community where the project's catchment area is located and shall be selected for their expertise in community affairs, local government, finance, and banking, legal affairs, trade unions and other commercial and industrial concerns or social service agencies within the community.
- 8.9 No member of the Board shall be an employee of the clinics, or spouse, child, parent, brother or sister by blood, adoption or marriage of such an employee. The Executive Director may be a non-voting, ex-officio member of the Board.
- 8.10 No Board member, employee, consultant or those providing services and or goods to the Clinics may pursue any personal activity that will involve a conflict-of-interest or use their official position to make secret or private profits and will treat all matters of the clinics as confidential. Board members will not use or give the appearance of using their position for the purpose of financial gain. "Financial gain" includes financial interest, gifts, gratuities, favors, nepotism and bribery. Political favors will also be considered improper. Board members must identify any conflict-of-interest they may have regarding a particular matter and abstain from discussing of voting in the matter.
- 8.11 No Board members should act or speak, or otherwise indicate that they are authorized to act or speak, on behalf of the entire Board without express Board approval/consent.
- 8.12 Recommendation for Board membership shall be from the community being served.
- 8.13 One Board position shall be filled by the District Chair, or his/her designee, by appointing a member of the District's Governing Board in accordance with that body's applicable bylaws.
- 8.14 One Board member shall serve on the Finance and Audit Committee of the District's Governing Board and one Board member shall serve on the Quality, Patient Safety, and Compliance Committee of the District's Governing Board.

Section 9 – Term of Membership

- 9.1 Board membership will be for a period of four (4) years starting on the date membership is approved and terminating four (4) years from the date of approval. No Board member shall serve more than two (2) consecutive terms. If at any time there is a question concerning the length of the term of office for any Board member, the Governing Board will decide through any appropriate means the term of the questioned incumbent.
- 9.2 Selection of New Board Member(s) for open Member positions. The selection of new Board members to fill any vacancy then existing may or to replace any member whose Term is ended, will be as follows:

- a. Vacancies on the Board due to the termination, resignation or death of a Member prior to the expiration of his/her Term may be filled within sixty (60) days of the vacancy by a majority vote of the Members at the next regular meeting, or at a special meeting called for that purpose, from those eligible persons recommended by the Nominating/Membership Committee.
- b. Members eligible to serve for a second 4-year term may apply for reappointment according to the procedures instituted by the Nominating Committee and approved by the Board. When a vacancy is anticipated to occur at the completion of any Member's 4-year term, the Nominating Committee shall submit names of eligible persons to the Board for consideration at least one month prior to the annual meeting of the Board, and the Board shall select those persons to fill the anticipated vacancy by a majority vote at the annual meeting. In selecting its new members, the Board will use the criteria set out in Section 8.
- 9.3 Membership on the board may be terminated by resignation of a member or by resolution of the Board after any member has three (3) unexcused absences. For purposes of these Bylaws, an unexcused absence occurs when a Board member fails to attend a regularly scheduled meeting and fails to give advance notice of such absence to the Executive Director who will notify the Chair. After two (2) unexcused absences, the secretary shall send the member a reminder. On the third unexcused absence, the Board shall take action to terminate membership and the individual shall be so advised. The migrant/seasonal farm worker who is absent due to job obligation will be granted and excused absence without restrictions.
- 9.4 Any Board member may be removed from the Board with or without cause by a two-thirds vote of the remaining board members present and voting at any regular or special meeting called for such purpose.

Board member can be removed for cause including, but not limited to:

- a. Repeated failure to attend Board meetings, or for conduct detrimental to the interests of the clinics.
- b. Conduct inconsistent with the clinics purpose.
- c. Refusing to render reasonable assistance in carrying out the clinics purpose.
- d. Refusing to act in a manner consistent with the clinic's mission and priorities.
- e. Individual is suspended or debarred from participation in federal programs.
- f. Whenever it is determined that the best interest of the clinics could be served by such removal.

Allegations made in support of the proposal to remove a board member shall be presented in writing, by mail, to the Board member in question at least five (5) calendar days in advance of the meeting. The allegation(s) shall be noted on the agenda of the meeting. The Board member in question shall be entitled to appear before the Board and be heard at such meeting. Removal of the Board member shall create a vacancy and a new Board member shall be elected in accordance with Section 8 of this

Article.

- 9.5 Each member will be entitled to one (1) vote.
 - a. Membership shall be designated as Consumer, Health Care Provider, Community Representative, or Migrant/Seasonal Farm worker.
 - b. Voting Conflict. No member shall cast a vote on any matter that could result in direct or indirect financial benefit to such member or otherwise give the appearance of or create a conflict of interest as defined in Ch. 112, Florida Statutes. Nothing in the foregoing shall prevent Board Members from voting upon matters of Board Compensation as set forth in Section 10.5.

FINANCE AND AUDIT COMMITTEE CHARTER

PURPOSE

The purpose of the Finance and Audit Committee, a standing committee of the Board of Commissioners of the Health Care District of Palm Beach County is to assist the Board in fulfilling its responsibility to oversee and monitor the District's financial statements, annual budget, investments, internal controls and other matters of a financial nature.

COMPOSITION OF COMMITTEE

The Committee shall have at least five (5) but no more than nine (9) members. A minimum of two (2) Board members shall be appointed to the Committee, one of which will chair the Committee. One (1) Committee member shall represent the Glades community and one (1) Committee member shall serve on the District Clinic Board. The Board shall appoint Committee members to a four (4) year term, commencing on the date of appointment, with Committee membership limited to two (2) full terms. The composition of the Committee shall be regularly reviewed to ensure that each member meets the requirements set forth by the Board for the Committee. Each member of the Committee shall have expertise and experience in economic, financial, business and such other matters as the Board may deem appropriate.

MEETINGS

Regular meetings of the Committee shall be conducted quarterly. Public notice of each meeting and the date, time and location of same shall be made as required by law. The Chief Executive Officer may cancel and/or reschedule a Regular meeting, upon proper notice to the Committee members and the public, if it is determined that a quorum will not be present or for other reasons in consultation with the Chair.

There shall be an agenda for every meeting of the Committee. However, the Committee is not prohibited from discussing and/or taking action on an item or matter not specified in the agenda. Minutes of each meeting shall be accurately taken, preserved, and provided to members.

Regular attendance shall be expected for all Committee members. If a member misses more than twenty-five percent (25%) of the Regular Committee meetings during the twelve (12) month calendar period, the Chair shall advise the Board. <u>Committee members should make every reasonable effort to attend committee meetings in person and the needs of the District are best served when all committee members are physically present at committee meetings. However, if a Board member is unable to be physically present at a committee meeting, a committee member may attend a meeting by teleconferencing or other technological means. Attendance by committee members pursuant to the foregoing shall constitute in person presence at the meetings and shall be counted towards the quorum.</u>

The presence of the majority of appointed Committee members shall be necessary at any meeting to constitute a quorum or to transact business. The Board shall promulgate rules of

order for the conduct of all Committee meetings. All procedural matters not addressed in said rules of order, by this Charter, or by the HCD Board Bylaws, shall be governed by the latest edition of "Roberts Rules of Order".

If an Executive Order, Florida Statute, or Attorney General opinion permits the ability to meet remotely due to a public emergency, the Committee will adjust their meetings accordingly.

VOTING BY TELEPHONIC OR ELECTRONIC COMMUNICATION

If a quorum of the Committee is physically present at a Committee meeting and at the time of a Committee vote, other members of the Committee may participate and vote by telephonic or electronic communication provided that such members are:

a. Physically outside the borders of Palm Beach County; or

b. Unable to attend the meeting due to illness of the Board member; or

c. Unable to attend the meeting due to some unforeseen circumstance beyond the Board member's control.

The Committee shall ensure that any telephonic or electronic communication utilized to permit committee members to participate and/or vote in a committee meeting is properly amplified or displayed so that all attending the meeting can hear and/or see the committee member's comments and/or vote and so that the committee members can hear and/or see all other committee members' comments and/or votes and the comments of other participants in the meeting.

Notwithstanding the above, if an Executive Order, Florida Statute, or Attorney General opinion permits the ability to meet remotely due to a public emergency, the above requirements shall not be applicable.

POWERS AND DUTIES

The following functions shall be the common recurring functions of the Committee in carrying out its oversight role.

- 1. *Financial Plans*. The Committee shall review the long-range financial plans of the District, and make such recommendations, as it deems appropriate to the Board regarding the projected use of District funds.
- 2. *Financial Statements*. The Committee shall review the District's monthly and annual financial statements.
- 3. *Budgets.* The Committee shall review the annual capital and operating budgets, including amendments thereto, and make such recommendations, as it deems appropriate to the Board regarding the sources and uses of District funds.

- 4. *Investment of Funds*. The Committee shall review the District Investment Plan and portfolio, at least annually, and make such recommendations, as it deems appropriate to the Board for action regarding the investment of District funds and reserves.
- 5. *Grant Compliance*. The Committee shall provide oversight of the District's fiscal activities as they relate to applying for and receiving grant awards.
- 6. *Insurance.* The Committee shall review the District's fiscal activities as they relate to insurance coverage of District operations and employees.
- 7. *Building Construction Contracts and Leases*. The Committee shall review building construction contracts and all agreements, including leases, for the sale and/or acquisition of real property to ensure the same are at arms-length, negotiated in compliance with the District Real Property Sale and/or Acquisition Policy.
- 8. *Revenue cycle.* The Committee shall provide oversight for the District's revenue cycle process, including charge structure, billing, collections, and management of accounts receivable.

Description: Recent Regulatory Updates and Industry Enforcement Activity, Including Updates from Florida's 2023 Legislative Session (September – November 2023)

Summary:

This item presents recent health care regulatory updates and industry enforcement activity which may impact the Health Care District of Palm Beach County ("HCD"). An overall summary and supplemental details are provided to the Board <u>as informational</u>, including: recent Regulatory Updates and Industry Enforcement Activity since the last meeting.

Substantive Analysis:

HCD Compliance, Privacy, and Ethics ("CPE") consistently reviews regulatory updates and industry enforcement activity to keep abreast of the changes and potential impacts to HCD, communicate information to necessary parties, and help shape CPE's Work Plan. Information is searched, tracked, reviewed, analyzed, monitored, and posted to our regulatory dashboard. HCD CPE determines the information necessary to communicate to HCD staff, physicians, and leadership, as well as if additional action (e.g., audit, policy, training) is necessary. These updates are presented to the HCD Board by the HCD VP/Chief Compliance, Privacy, & Risk Officer, on a quarterly basis.

RECENT TRENDS:

Trends include, but are not limited to: Continued enforcement of COVID-19 fraud, with the Middle District of Florida particularly focused on this area. Additionally, 2024 final rules were issued, which impact reimbursement for the organization. Information Blocking continues to be at the top of the enforcement list, with the Department of Health and Human Services proposing rules to further disincentivize the practice. Pixel tracking remains a concern across health systems, while leadership across the industry continues to focus on cybersecurity concerns and responding to lawsuits. Ongoing False Claims Act cases to settle various allegations (e.g., kickbacks); Finally, there has been a recent uptick in voluntary self-disclosures to the Office of Inspector General, with disclosures ranging from employing excluded individuals to billing for claims where the provider lacked proper credentials.

- 22. Patients Advance Meta Lawsuit Over Collecting Health Information

Regulatory Updates

- 1. Office of Inspector General ("OIG") Issued Semiannual Report to Congress (11/2023)
- The OIG released its Semiannual Report to Congress for April 2023-September 2023. As part of its work, the HHS-OIG expects to recover nearly \$3.44 billion as a result of audits and investigations performed during Fiscal Year 2023. Additionally, the work of the OIG has led to 707 criminal enforcement actions against individuals and/or entities, as well as 746 civil actions. Examples of civil actions include false claims lawsuits, unjust enrichment claims, civil monetary penalty settlements, and monies recovered through self-disclosures. As part of their work, the OIG issued 127 Audit Reports, which led to \$283.5 million in expected audit recoveries for Fiscal Year 2023.
- 2. Government Funding Bill Signed by President Biden, Preventing Shutdown (11/2023)
- President Biden signed a stopgap funding bill to prevent a government shutdown through early 2024 with the looming deadline of 11/17/2023. As it related to healthcare, this includes delaying Disproportionate Share Hospital (DSH) cuts through 1/19/2024 and delaying cuts to the Clinical Lab Fee Schedule that was scheduled to take place 1/1/2024.

3. Florida Introduced New Bills for FY2024 (11/2023)

- Senate Bill 644 was recently introduced for review by Senator Simon that outlines eligibility requirements for licensure of rural emergency hospitals. In essence, it would act to expand the definition of what qualifies as a rural hospital. This legislation is in its infancy.
- House Bill 309 was also introduced for review, which deals with a similar subject matter as Senate Bill 644. It would revise the definitions of "hospital" and "rural hospital" to include rural emergency rural hospitals. This legislation is in its infancy.

- 4. Department of Health and Human Services ("HHS") Proposes Rule to Establish Disincentives for Healthcare Providers that Engage in Information Blocking (11/2023)
- HHS recently issued a proposed rule that would establish disincentives for health care providers who have engaged in information blocking. Information blocking occurs when a provider knowingly and unreasonably interferes with the access, exchange, or use of electronic health information except as required by law or covered by a regulatory exception. The proposal would implement authority pursuant to the 21st Century Cures Act. The rule comes on the heels of the OIG establishing information blocking penalties for parties such as health information technology developers of certified health IT or other companies that may be offering certified health IT, health information exchanges, and health information networks. The proposed rule offers several types of disincentives for those who have engaged in information blocking. From the <u>Fact Sheet</u>:
- Under the Medicare Promoting Intercperability Program, an eligible hospital or Critical Access Hospital (CAH) would not be a meaningful electronic health record (EHR) user in an applicable EHR reporting period. The impact on eligible hospitals would be the loss cf 75% cf the annual market basket increase; for CAHs, payment would be reduced to 100% cf reasonable costs instead cf 101%.
- Under the Promoting Intercperability performance category cf the Merit-based Incentive Payment System (MIPS), an eligible clinician or group would not be a meaningful user cf cert.fied EHR technology in a performance period and would therefore receive a zero score in the Promoting Intercperability performance category cf MIPS, if required to report on that category. The Promoting Intercperability performance category score typically can be a quarter cf a clinician or group's total MIPS score in a year.
- <u>Comments on the proposed rule are due January 2, 2024.</u>

5. OIG Issued New General Compliance Program Guidance (11/2023)

- The OIG recently updated their General Compliance Program Guidance ("GCPG"). The first OIG Compliance Program Guidance was issued in 1998. As the OIG notes, it is attempting to become more user-friendly while providing useful and informative resources to assist in preventing fraud, waste, and abuse in health care. The CPG provides background into many laws and regulations that apply in health care settings, such as the Anti-Kickback Statute, Stark Law, billing issues, etc.
- Beginning in 2024, the OIG will publish industry-specific CPGs ("ICPGs") for providers, suppliers, and other entities involved in federal health care programs. These guidance documents will be updated periodically to stay up to date on current issues.
- 6. Centers for Medicare and Medicaid Services ("CMS") Issued CY2024 Medicare Physician Fee Schedule ("MPFS") Final Rule (11/2023)
- On November 2, 2023, <u>CMS issued</u> the CY2024 MPFS final rule. CMS stated the intent was to increase support to areas such as primary care, health equity, provide assistant to family caregivers, and expand access to behavioral health care and types of oral care.
- CMS did postpone a requirement that providers who provided telehealth services from home would have had to publish their home address on enrollment and claims forms. It has been delayed under 1/1/2025.

- Payment rates will decrease from 2023, with MPFS rates being reduced 1.25%. The CY2024 decreased \$1.15 from the CY2023 conversion factor, with the CY2024 factor now \$32.74.
- CMS now allows payments when practitioners train caregivers to support patients who have a certain type of diagnosis, such as dementia, in carrying out a care plan. This service is reimbursable when provided by a physician or a non-physician practitioner (nurse practitioners, clinic nurse specialists, certified nurse-midwives, physician assistants, and clinical psychologists) or therapists (physical therapist, occupational therapist, or speech language pathologist) as part of the patient's individualized treatment plan or therapy plan of care.
- Recognizing the benefit of services addressing health-related social needs, CMS will now separately reimburse for Community Health Integration, Social Determinants of Health (SDOH) Risk Assessment, and Principal Illness Navigation. This change aims to accurately reflect the resources utilized when clinicians involve certain types of support staff, such community health workers, care navigators, and peer support specialists in furnishing medically necessary care. The new codes included now specifically address the type of services these community health workers, care navigators, and peer support specialists, making it easier to obtain reimbursement.
- 7. CMS Issued Calendar Year 2024 Outpatient Prospective Payment System ("OPPS") Final Rule (11/2023)
- On 11/2/2023, <u>CMS finalized</u> the CY2024 OPPS final rule, which sets payment rates for hospital outpatient services and Ambulatory Surgical Center (ASC) Services.
- CMS increased OPPS reimbursement by 3.1% for hospitals that meet applicable quality standards. Of note, the Final Rule will close a coverage gap for behavioral health that previously existed, as it sets a payment rate for intensive outpatient programs ("IOP") under Medicare. Other items covered in this area include the scope of benefits, certification requirements, and coding and billing guidance. These IOP services may be offered in outpatient departments of hospitals and Federally Qualified Heath Centers ("FQHCs"), among other locations. IOP services are now also allowed to be provided in Opioid Treatment Programs (OTP). This meets the CMS' aim to promote access to behavioral health treatments.
- CMS is also creating a new untimed code for group psychotherapy, aiming to eliminate administrative burden and increase access to group psychotherapy services.
- The Final Rule creates Medicare payment rates for 240 dental codes under the OPPS.
- Due to broad issues with compliance with the Price Transparency requirements, CMS is amending the standard charge display requirements. Additionally, updates are being made to enforcement provisions for lack of compliance, to include large fines. Finally, the changes aim to streamline the process and increase transparency of enforcement.
- The payment rate for 340B drugs remained unchanged, with the price being Average Sales Price (ASP) plus 6%.

8. CMS Announced 340B Payment Remedy (11/2023)

• CMS issued the Hospital OPPS: Remedy for the 340B-Acquired Drug Payment Policy for CY 2018-2022 in early November. After years of litigation, CMS has agreed to pay a lump sum payment of \$9 billion to the approximately 1,700 hospitals that were paid less than they were owed for 340B drug discounts, with each hospital receiving the reimbursement amount based on claims submitted.

- Due to unanticipated and costly payment to hospitals, CMS worked to identify a solution for budget neutrality. In order to carry out this mandate and achieve a \$7.8 billion budget neutrality adjustment, CMS announced it will lower future non-drug and service payments by adjusting the OPPS conversion factor by minus 0.5% beginning in CY2026.
- 9. President Biden Issues Executive Order on Safe and Secure Use and Development of Artificial Intelligence ("AI") (10/2023)
- On October 30, 2023, President Biden signed Executive Order 14110, entitled "Safe, Secure, and Trustworthy Development and Use of Artificial Intelligence." While recognizing the potential promise of Artificial Intelligence in the future, the Executive Order also promotes caution on its use and development. The Biden Administration will work with Congress to develop legislation surrounding AI. The Federal Government plans to use a coordinated approach to ensure a safe and secure roll out. To achieve this, the Executive Order outlines eight guiding principles and priorities, which include:
 - Artificial Intelligence must be safe and secure.
 - Promoting responsible innovation, competition, and collaboration.
 - The responsible development and use of AI require a commitment to supporting American workers.
 - Artificial Intelligence policies must advance equity and civil rights.
 - Protection of those who purchase and utilize AI and AI-enabled products in their daily lives.
 - Privacy and civil liberties must be protected as AI continues advancing.
 - Manage the risks from the Federal Government's own use of AI and increase its internal capacity to regulate, govern, and support responsible use of AI to deliver better results for Americans.
 - The Federal Government should lead the way to global societal, economic, and technological progress.
 - The Executive Order also instructs the Secretary of HHS to take certain actions. These include by 1/27/2025, to develop a strategic plan for the health and human services arena. This includes the development and maintenance of AI technologies in health care, as well as the appropriate safety controls and monitoring systems. This includes appropriate protection safeguards to ensure the safety of protected health information. The Federal Government is to work with states, counties, and local territories to assist in the development of best practices.

10. Health Services Resource Administration ("HRSA") Issued Notice Outlining 340B Eligibility Requirements (09/2023)

• HRSA recently issued a Notice that outlines requirements for eligibility for 340B drug discounts. In particular, the Notice states that in order to continue purchasing 340B drugs, covered entities' offsite, outpatient hospital facilities must be listed on the hospital's most recently filed Medicare Cost Report and registered in OPAIS by the next 340B Program quarterly registration period, or the covered entity must notify HRSA within 90 days of the publication of the notice that they have begun the process of listing the offsite, outpatient facility on the hospital's Medicare Cost and Report and registered in OPAS. As part of the changes, HRSA is providing a 90-day grace period before non-compliant entities may be subject to audit and compliance penalties.

- 11. The U.S. Department of Labor ("DOL") and Equal Employment Opportunity Commission ("EEOC") Partner to Share Information and Conducting Joint Investigations (09/2023)
- A <u>Memorandum of Understanding</u> between the EEOC and the DOL (Wage and Hour Division) was recently signed.
- The parties are forming the partnership "...to encourage greater coordination between them through information sharing, joint investigations, training, and outreach." Some of the highlights from the MOU:
- Information Sharing: The EEOC and DOL may share information with the other agency, either upon request from the other agency or at the agency's own initiative. This includes any information or data that supports the other agency's enforcement activities, whether obtained by its own investigation or through any other lawful sources.
- Provides points of contact for requests for information and responses.
- Coordinated Investigations and Enforcement: If agency personnel believe misconduct may have occurred that the other agency may view as unlawful and under its jurisdiction, the investigating agency personnel will advise the potential complainant or filing party that they may be able to file a charge/complaint with the other agency.
- If conduct is within both agencies' purview, the parties will consider conducting a joint investigation (though are not obligated to).
- Training and Outreach: Each agency will provide training to the other agency's staff to issue spot and identify cases that may be under the party's jurisdiction.

12. HHS Proposed Rule to Update Nondiscrimination Standards (09/2023)

- HHS issued a proposed rule that would provide an update to the regulations protecting individuals with disabilities from discrimination while seeking healthcare. This would primarily be accomplished though amendments to Section 504 of the Rehabilitation Act, which prevents health care providers that receive federal funds from providing unequal treatment to those with disabilities. The proposed rule would change language in Section 504 to better align it with requirements outlined in the American Disabilities Act (ADA) and the Americans with Disabilities Amendment (ADAA) Act.
- Specifically, the proposed rule prohibits "...denying or limiting medical treatment to a qualified individual with a disability when the denial is based on bias or stereotypes about a patient's disability; judgments that an individual will be a burden on others due to their disability, including, but not limited to, caregivers, family, or society; or a belief that the life of a person with a disability has a lesser value than that of a person without a disability, or that life with a disability is not worth living." The rule also clarifies website accessibility standards.

13. OCR Published List of 66 Hospitals Who Received Pixel Tracking Warnings (09/2023)

• The OCR published a list of 66 hospitals who have received warnings for potential violations of patient privacy requirements via the use of pixel tracking. The HHS-OCR <u>posted a list</u> (or rather the letters that were sent to the hospital/health systems) of the hospitals/health systems that received a warning letter that their websites may be utilizing pixel tracking technology. *Lakeside Medical Center is <u>not</u> included on the list.*

- 14. OCR and the Federal Trade Commission ("FTC") Published Letters Sent to Hospital Systems and Telehealth Providers Warning about Privacy and Security Risks from Online Tracking Technologies (09/2023)
- The OCR and the FTC published joint letters that were sent to nearly 130 hospitals or health systems and telehealth providers. The letter outlines the risks associated with the use of online tracking technologies, which includes Google Analytics and Meta/Facebook pixel tracking. These technologies can be used to track online activities. The letter reminded readers that the OCR published information regarding these concerns in a previously issued bulletin. *The Health Care District cf Palm Beach County is not included on the list.*
- 15. OCR and FTC Published Joint Guidance Outlining Privacy and Security Laws and Rules that Impact Consumer Health Data titled, "Collecting, Using, or Sharing Consumer Health Information? Look to HIPAA, the FTC Act, and the Health Breach Notification Rule." (09/2023)
- The FTC and HHS OCR published an updated version of the two agencies' joint publication, entitled "Collecting, Using, or Sharing Consumer Health Information? Look to HIPAA, the FTC Act, and the Health Breach Notification Rule." The publication aims to help businesses learn more about their legal obligations under some of the health privacy and security-related laws and rules enforced by the FTC and the HHS, with specific focus on the Health Insurance Portability and Accountability Act ("HIPAA"), the HIPAA Privacy, Security, and Breach Notification Rules, the FTC Act, and the FTC's Health Breach Notification Rule. The publication offers general guidance on issues including what entities the specific laws and regulations cover, the measures covered entities can adopt to maintain the privacy and security of consumers' health information, and the steps entities must take in the event of a data breach. The publication is available on the FTC's website.

(DETAILS PROVIDED BELOW ARE SHARED AS INFORMATION ONLY):

Industry Updates

- 1. OCR Settles HIPAA Investigation of St. Joseph's Medical Center for Disclosure of Patients' Protected Health Information ("PHI") to a News Reporter (11/2023)
- OCR announced a settlement with Saint Joseph's Medical Center ("St. Joseph's"), an academic medical center in New York, for potential violations of the HIPAA Privacy Rule. The settlement involved the impermissible disclosure of COVID-19 patients' PHI to a national media outlet. OCR determined that St. Joseph's disclosed three patients' PHI to the Associated Press without first obtaining written authorization from the patients, therefore potentially violating the HIPAA Privacy Rule.
- 2. Boston (Massachusetts) Psychiatrist Convicted of Illegally Prescribed Controlled Substances, Faces Lengthy Prison Sentence and \$1 Million Fine (11/2023)
- Psychiatrist Mohamad Och was convicted of three counts of unlawful distribution of a controlled substance. Och was a licensed psychiatrist who owned and operated Island Counseling Center. It was revealed that Dr. Och prescribed a dangerous combination of benzodiazepines and stimulants outside the usual course of practice and that lacked a medical purpose. In some instances, Dr. Och was found to have issued prescriptions for

Adderall and Xanax to undercover DEA agents. Evidence revealed Dr. Och failed to conduct proper psychiatric examinations, did not obtain old medical records, and did not order diagnostic tests even when it was clear that the patients may have been diverting the drug. Despite this, Dr. Och would prescribe these patients with these prescriptions. Dr. Och also falsified documentation in the medical record to support the fraud. Dr. Och faces a potential lengthy prison sentence and may receive a fine up to \$1 million.

- 3. Former Kindred Home Health Services (Texas) Employee Sentenced to 10 Years' Probation and Fined \$200,000 for Receiving Kickbacks, Per DOJ (11/2023)
- According to the Department of Justice ("DOJ"), a former Kindred Home Health employee in San Antonio (Texas), Amber Ashley Price, was sentenced to 10 years of probation and fined \$200,000 for charges related to receiving kickbacks. From June 2014-April 2019, documents revealed Price's involvement related to paying and receiving kickbacks in return for sending prescriptions to specific pharmacies. Many of these prescriptions involved Federal health care programs. Price was also revealed to have accepted kickbacks for referring patients to other home health agencies.
- 4. Florida Physician Faces Prison After Pleading Guilty to Drug Distribution, False Statements, and COVID Relief Fraud (11/2023)
- Dr. Tommy Louisville pleaded guilty to several charges, including unlawful drug distribution, making a false statement related to health care, and wire fraud. The drug distribution charge could lead to up to 10 years in prison, while the false statement charge could bring 5 years in prison, with the wire fraud charge potentially carrying a 20-year sentence. Per the plea agreement, it was acknowledged that the Florida Board of Medicine previously suspended Dr. Louisville for two years. During the suspension, Dr. Louisville continued to write prescriptions and hid this fact from Medicare. In November 2019, Louisville closed his medical practice. In April/May 2020, Louisville sought and obtained a Paycheck Protection Program loan for his closed business. Here, he fraudulently filed an application that misrepresented payroll, the number of employees working at the facility, and certifying the loan would be used for business purposes.
- 5. Florida Clinical Laboratory (Genesis Reference Laboratories) Agreed to Pay Nearly \$1.2 Million to Resolve Allegations that it Violated the Anti-Kickback Statute ("AKS") (11/2023)
- A Florida-based Clinical Laboratory, Genesis Reference Laboratories, agreed to nearly \$1.2 million to resolve allegations that it violated the False Claims Act ("FCA"). It was alleged that Clinical Laboratory Genesis marketers paid illicit kickbacks to providers in an effort to induce laboratory testing referrals. Genesis is cooperating with the Department of Justice ("DOJ") on the investigation and litigation against others who are involved in the scheme.
- 6. Holy Cross Hospital (Illinois) Agreed to Pay \$85,000 to Settle EMTALA Violations with the OIG Following Patient's Death (10/2023)
- Holy Cross Hospital recently agreed to an \$85,000 settlement with the OIG following allegations that Holy Cross violated the Emergency Medical Treatment and Labor Act ("EMTALA"). The OIG's investigation revealed that Holy Cross failed to provide an appropriate Medical Screening Examination (MSE) to a patient who arrived at the

facility, and did not properly register the patient upon arrival in the Emergency Department ("ED"). The patient allegedly acted aggressively and was escorted out of the facility. The physician was never notified of the patient's arrival in the ED and no other assessment was performed. The patient was later brought back to the ED five hours later after experiencing cardiac arrest at home, ultimately leading to the patient's death.

- 7. OCR Settles First Ransomware Cyberattack Investigation with Doctors' Management Services, Agreed to Pay \$100,000 (10/2023)
- The OCR reached a settlement agreement with Doctors' Management Services (DMS), a medical management company that provides medical billing and credentialing services to outside parties. DMS will pay \$100,000 as part of the settlement following a breach report that ransomware had affected over 200,000 individuals' PHI. This is the first instance of a ransomware agreement that the OCR has reached.
- 8. Chesapeake Hospital Authority Agreed to Pay Nearly \$180,000 Following Self-Disclosure for Allegedly Violating the Civil Monetary Penalties Law for Payments to Physicians ("CMPL") (10/2023)
- Following a voluntary self-disclosure to the OIG, Chesapeake Hospital Authority agree to pay \$179,610 for allegedly violating the CMPL. It was alleged that Chesapeake Hospital Authority paid improper remuneration to a medical group that it was contracted with in several ways. These included excessive payments for physician services, unsupported payments for medical director services, and excessive settlement payment and release for quality and night physician coverage provided by the medical group.
- 9. Riverside Medical Group and Riverside Shore Memorial Hospital (Virginia) Agreed to Pay Over \$525,000 to Resolve Upcoding and Unnecessary Services Allegations Following OIG Self-Disclosure (10/2023)
- Riverside Medical Group and Riverside Shore Memorial Hospital in Virginia agreed to pay \$527,932 after self-disclosing to the OIG that it allegedly submitted claims for reimbursement that either lacked medical necessity or were otherwise up coded to obtain a higher level of reimbursement. It was alleged that a Riverside Medical Group podiatrist submitted claims to Medicare and other federal payors for services that were either up coded or otherwise failed to meet medical necessity requirements. Additionally, the OIG alleged that Riverside Shore Memorial Hospital submitted provider-based facility claims to Medicare and other federal payors for certain services that were provided by the podiatrist at some provider-based clinics.
- 10. Wisconsin Hospital (Meadows of Fall River) Agreed to Pay \$80,000 for Allegedly Violating the CMPL by Employing an Excluded Individual (10/2023)
- The Meadows of Fall River recently agreed to pay \$80,466 to the OIG after selfdisclosing that improperly employed an excluded individual, in violation of the CMPL. The OIG alleged that the facility knew or should have known that the individual was excluded from participation in Federal health care programs.

11. VIZIA Diagnostics Agreed to Pay Over \$700,000 for Submitting Claims from Incorrect Provider After Self-Disclosing the CMPL Violation to the OIG (10/2023)

• VIZIA Diagnostics uncovered issues during an internal investigation that revealed it had improperly submitted false claims. VIZIA self-disclosed the conduct to the OIG and after the investigation agreed to pay \$701,209 to resolve allegations that it violated the CMPL. The alleged violations occurred due to VIZIA submitting false claims to Federal health care programs for laboratory services while utilizing the name and NPI number of a physician who did not actually provide the services.

12. Arete Anesthesia Agreed to Pay \$57,000 for Allegedly Violating the CMPL by Submitting Claims for Services Provided by an Unlicensed Individual, per the OIG (10/2023)

• Arete Anesthesia, Inc. recently self-disclosed violations to the OIG. Arete agreed to pay over \$57,000 to resolve allegations that it submitted claims for nurse anesthetist services provided by an individual who lacked the proper licensing to perform such services.

13. Middle District of Florida Continues to Combat COVID-19 Fraud (10/2023)

• The Middle District of Florida continues its ongoing battle to fight COVID-19 fraud in conjunction with several federal, state, and local law enforcement agencies. To date, the group has prosecuted 73 individuals for fraud related to the pandemic. This includes Paycheck Protection Program, Economic Injury Disaster Loans, Unemployment Insurance, the Main Street Lending Program, and the Emergency Rental Assistance Program. In Fiscal Year 2023, 24 defendants have been indicted for fraud related cases.

14. Hoag Clinic (California) Agreed to Pay \$205,000 After Allegedly Violating the CMPL by Submitting Claims for Services that were Not Medically Necessary or Incorrectly Billed, Per OIG (10/2023)

• After self-disclosing conduct to the OIG, Hoag Clinic, California, agreed to pay \$204,916 for allegedly violating the Civil Monetary Penalties Law. OIG alleged that Hoag Clinic submitted false claims to Medicare, Medicaid, TRICARE, and HRSA COVID-19 Uninsured Program for services that were billed at a higher level of service than was provided, billed when not medically necessary, billed using the incorrect CPT code, billed when the service was not documented, separately billed when the claim should have been included in the E&M code, billed without the correct modifier, billed for a duplicate tests, or billed for a service without a valid order.

15. CIGNA Group Agreed to Pay \$172 Million to Resolve False Claim Act ("FCA") Allegations (10/2023)

- The Cigna Group agreed to pay \$172,294,350 to resolve allegations that it violated the False Claims Act ("FCA") by submitting and failing to correct inaccurate diagnosis codes for Medicare Advantage enrollees. This was done to increase the payments Cigna received from Medicare. These inaccurate diagnosis codes served to increase the risk adjustment scores for beneficiaries, which increases the capitated payments Cigna received. Cigna also certified to CMS that these submissions were accurate.
- 16. Mobile Cardiac PET Scan Provider and Founder/CEO Agreed to Pay \$85 Million to Resolve Unlawful Payments to Referring Doctors, Allegedly Violating the Stark Law and AKS, Per the Department of Justice ("DOJ") (10/2023)

Cardiac Imaging Inc., and its founder, owner, and CEO Sam Kancherlapalli agreed to pay \$85,480,000 to resolve FCA allegations related to payments to referring cardiologists. It was alleged that the parties paid referring cardiologists excessive fees to

supervise PET scans, which violates both the Stark Law and Anti-Kickback Statute ("AKS"). CII will pay \$75 million plus an amount to be determined based on future revenue, while Kancherlapalli will pay \$10,480,000 which is based on his ability to pay.

17. Kaiser Permanente Agreed to Pay \$49 Million for Illegally Dumping Hazardous Waste, Medical Supplies, and Patient Information (09/2023)

- Several Kaiser Permanente hospitals, located in California, recently agreed to a \$49 million settlement with six California counties. The settlement comes after undercover investigators searched garbage dumpsters at several Kaiser hospitals. The search revealed drugs, syringes, bodily fluids, batteries, aerosols, and patient medical records. Over 10,000 patient medical records of over 7,700 were found in the dumpsters. The records were on paper. The settlement resolved the allegations that Kaiser illegally disposed of hazardous waste, medical waste, and patient health information. Kaiser also took remedial actions to ensure the conduct does not happen again.
- 18. OCR Reached a \$1.3M Settlement with Local Initiative Health Authority for Los Angeles County ("LA Care") Over Potential Violations of the HIPAA Security Rule (09/2023)
- The OCR announced an enforcement action on September 11, 2023 with LA Care. In summary, LA Care, a Los Angeles-based health plan, agreed to a \$1.3 million settlement and corrective action plan (CAP) to resolve potential HIPAA violations uncovered during two HHS-OCR investigations. LA Care is the largest publicly operated health plan in the US, covering nearly 3 million members. The settlement concludes two OCR investigations initiated from a large breach report and a media article regarding a separate security incident. Under the agreement, LA Care agreed to pay \$1,300,000 and to implement a corrective action plan which identifies steps LA Care will take to resolve these potential violations of the HIPAA Security Rule and protect the security of electronic protected health information (ePHI). The potential violations in this case included:
- Failure to conduct an accurate and thorough risk analysis to determine risks and vulnerabilities to ePHI across the organization;
- Failure to implement security measures sufficient to reduce risks and vulnerabilities to ePHI to a reasonable and appropriate level;
- Failure to implement sufficient procedures to regularly review records of information system activity;
- Failure to perform a periodic technical and nontechnical evaluation in response to environmental or operational changes affecting the security of ePHI; and
- Failure to implement hardware, software, and/or procedural mechanisms that record and examine activity in information systems that contain or use ePHI. Due to the sheer size of LA Care, OCR expressed concerns about the evidence of potential noncompliance with the HIPAA Privacy and Security Rules across the organization. On top of the large monetary settlement, LA Care agreed to take on a variety of corrective actions to improve compliance and security.
- 19. California Physician Agreed to Pay Nearly \$350,000 for Allegedly Violating the CMPL by Receiving Remuneration in Exchange for Ordering Durable Medical Equipment ("DME") and Genetic Tests, Per OIG (09/2023)

- Dr. Rasha Morad, a California physician, agreed to pay over \$345,000 following a settlement agreement with the OIG. The settlement resolves allegations that Dr. Morad solicited and received illicit remuneration, including monetary payments, that Dr. Morad indicated were related to telemedicine consultations from several telemedicine and staff companies. In return, Dr. Morad would order medically unnecessary durable medical equipment and genetic testing for federal health care beneficiaries, despite Dr. Morad never meeting the patients and without conducting an examination.
- 20. Connex Family Services, LLC (Virginia) and its Owner Agreed to Pay \$918,000 and Enter into Corporate Integrity Agreement ("CIA") to Resolve FCA Allegations (09/2023)
- Connex Family Services, LLC and Bianca Riddle agreed to pay \$918,000 to settle a fraud case. Connex and Riddle agreed to pay following allegations that they caused false claims to be submitted to Federal health care programs. From March 2019-November 2021, it was alleged that the parties submitted claims to Federal payors for applied behavioral analysis services that were not provided. These services are offered to children who have Autism Spectrum Disorder. As part of the settlement, Connex and Riddle will also pay up \$2,053,387 if the company is sold within the next five years. Connex also entered into a three-year Corporate Integrity Agreement ("CIA"). The case was raised pursuant to the *qui tam* provisions of the FCA.
- 21. Baptist Medical Center South (Alabama) Agreed to Pay Over \$130,000 for Allegedly Violating the CMPL for Knowingly Retaining Overpayments (09/2023)
- Baptist Medical Center South (Alabama) agreed to pay \$131,173.40 to resolve allegations that it violated the Civil Monetary Penalties Law. Following self-disclosure to the OIG, the parties agreed to a settlement to resolve allegations that Baptist knowingly retained overpayments by not providing device warranty credits to Medicare.

22. Patients Advance Meta Lawsuit Over Collecting Personal Health Information (09/2023)

• Meta Platforms Inc. faces a proposed class action alleging it collected the personal health information of patients without their consent in violation of state and federal privacy laws and against its own privacy policies, a federal court ruled. Plaintiffs allege in the consolidated lawsuit that Meta intercepted the health information of people with Facebook accounts by installing the Meta "pixel" on the patient portals of their health providers. Meta profited from the intercepted information by using it to deliver targeted ads, they said. Judge Orrick of the District Court for the Northern District of California denied Meta's motion to dismiss the plaintiffs' claims of breach of contract, breach of the duty of good faith and fair dealing, unjust enrichment, and violations of the Electronic Communications Privacy Act and the California Invasion of Privacy Act.

1. Description: Health Department Roof Replacement

2. Summary:

The Department of Health for Palm Beach County is seeking financial support for the roof replacement at their West Palm Beach location.

3. Substantive Analysis:

The Department of Health ("DOH") is seeking financial support for replacement of the roof at the West Palm Beach clinic location. The total cost of replacement is estimated at \$3.4 million. While the existing Master Agreement between DOH and HCD does not obligate the HCD specifically to provide funding for this purpose, the HCD has benefited and continues to benefit by the existing agreement as follows:

- Cost for the use of the space is based on HCD's pro rata square footage usage for common expense currently \$23.15 psf;
 - Comparable rental space is estimated to be in the range of \$30-\$34 psf (inclusive of common expense);
- The West Palm Beach location has been jointly occupied by the Health Care District and the Department of Health for the last ten (10) years and the HCD continues to utilize the space;
- HCD's utilization is 13,514 or 22.3% of the total available space (60,580 sq. ft.) thus, if HCD were to agree to a pro-rata share of the roof replacement at 22.3% this would equate to approximately \$758,200;
- Historically, prior to the transfer of the four Federally Qualified Health Centers from DOH to HCD in 2013, the HCD funded approximately \$5 million, or approximately 14% of DOH's annual budget, which included financial support for Special Capital Projects. After the transfer of the clinics in 2013, the nature of the financial arrangements between HCD and DOH changed. HCD became a Tenant in the DOH provided space for the four FQHC's, and thus entered into a Master Agreement for the space at \$20 psf, which remained flat until this year when it increased to \$23.15 psf. Additionally, subsidy agreements were entered to continue providing financial support for the operations of other services that were not self-sufficient for the DOH but did not include financial support for Special Capital Projects. Most recently these included the following:

Program Title	HCD FY 22-23 Funding
Immunization	\$800,000
Sexually Transmitted Disease	860,548
Tuberculosis	800,000
Community Disease Surveillance	200,000
HIV/AIDS Patient Care	709,194
Family Planning	1,700,000
Improved Pregnancy Outcome	2,938,205
Comprehensive Adult Health	500,000
Total	\$8,507,947

HCD's financial support of DOH represents approximately 13% of DOH's total budget. It should be noted however, that since the revised financial agreements were entered in 2013, no funding for capital or building maintenance has been provided by HCD as per historical arrangements prior to 2013.

The HCD Board has discretion to approve DOH's funding request. Specifically, the HCD's Enabling Legislation, Section 6, authorizes the Board in relevant part:

(1) To plan, set policy guidelines for, fund, establish, construct, lease, operate, and maintain such health care facilities as shall be necessary for the use of the people of the County . . . Said health care facilities shall be established, constructed, leased, owned, operated, and maintained for the preservation of the public health, for the public good, and for the use of the public of the County;

(8) To plan and fund construction, acquisition, ownership, leasing, repair, maintenance, extension, expansion, improvement, rehabilitation, renovation, furnishing and equipping of health care facilities and to pay all or any part of the costs thereof from the proceeds of operating revenue, bonds, lease-purchase financing, or other obligations of indebtedness of the District or from any contribution, gift, or donation or other funds of the District for such purpose.
