Sponsored Programs FY2025

Sponsored Programs

The Health Care District of Palm Beach County is accepting funding requests from respondent community organizations that provide health services or related healthcare services for uninsured, underinsured, indigent, and other vulnerable Palm Beach County residents to help fulfill and support the mission of the Health Care District as a healthcare safety net for the residents of Palm Beach County.

The Sponsored Program Funding will align with the Health Care District's Fiscal Year, September 1, 2024, through October 31, 2025.

Funding Criteria:

A minimum of \$10,000.00 – a maximum of \$125,000.00, and no more than 10% of the organization's budget.

Eligibility Overview

- Non-profit organizations that provide services that address the medical and behavioral health needs of Palm Beach County's medically needy population.
- Services may include healthcare, behavioral care, services that address Social Determinants of Health, and services that help patients navigate or coordinate care and connect to the services they need.
- Organizations must adhere to the instructions and guidelines in the Sponsored Programs Funding Opportunity request, provide completed mandatory items, and be registered to conduct business in the State of Florida.
- Organizations must refer to the Sponsored Programs Submission Requirements for submission requirements and eligibility details.
