

Physician/Provider Bulletin

Subject:	MRI, CT Scans and PET Scans		
Plan:	Coordinated Care Option 1 and Vita Health	Bulletin Date:	April 20, 2015
Bulletin Number:	15-003	Effective Date:	June 1, 2015

The purpose of this bulletin is to inform all participating providers of important changes regarding services rendered in an office setting.

Effective June 1, 2015, MRI, CT scans and PET scans are no longer allowed to be performed in the provider's office with the exception of the below specialty providers:

- Oncology (all related specialties)
- Neurology

These diagnostic services must be referred to a participating diagnostic center. Please refer to the provider directory located on our website www.hcdpbc.org for participating providers.

All MRI, CT and PET scans performed in an office setting for specialties not listed above will be denied effective June 1, 2015.

If you have questions regarding this provider bulletin, please contact your Provider Representative at (561) 659 - 1002.

Please insert this bulletin into your Provider Handbook. The policies and procedures in this bulletin supersede any related policies and procedures within the handbook.
