

Provider Bulletin

Subject:	Acceptance of Institutional Claims Electronically		
Plan:	Coordinated Care Option 1	Bulletin Date:	December 9, 2015
Bulletin Number:	15-012	Effective Date:	Immediately

The purpose of this bulletin is to inform participating institutions of our process for submitting claims electronically (837I).

The Health Care District accepts electronic claims from Availity and Emdeon.

Institutions interested in submitting claims electronically should refer to our 837I Companion guide. This guide is located on our website <http://www.hcdpbc.org/index.aspx?page=42>. The guide will walk you through business requirements and our enrollment process for submitting 837I claims.

Once the enrollment and setup process is completed, we will provide you with our submitter numbers and you may begin submitting claims electronically.

Please do not electronically submit claims that have been previously submitted via paper. This may cause delays in processing and/or denials.

If you have questions regarding this bulletin, please contact your Provider Representative at (561) 659-1002.

Please insert this bulletin into your Provider Handbook. The policies and procedures in this bulletin supersede any related policies and procedures within the handbook.
