HCDPBC Claims Submission Information

Community Care Plan (CCP) understands that the use of electronic healthcare transactions is of great value to the provider community. CCP and its strategic clearinghouse partner Availity are working together to promote the adoption and use of electronic health care transactions including claim transactions and electronic remittance advice, so that your organization can take better advantage of the savings available.

If you are currently submitting paper claims to CCP or using a clearinghouse that is unable or unwilling to submit claims electronically to CCP’s clearinghouse, you have options available to you that will allow you to send electronic claims and start saving time and money today!

CCP and Availity partnered to offer free claim and Electronic Remittance Advice (ERA) options. We are excited to offer an enhanced free claim direct data entry option and ERA portal for your use. This option enables providers to conduct business with CCP using the following methods. These are entirely sponsored by CCP, at no cost to you:

- Enter and submit claims, receive ERA, and exchange other electronic transactions using a browser-based application over the Internet.
- Directly transmit HIPAA compliant ANSI transactions over a secure direct connection.
- If you are currently registered with Availity, [click here](#) to access the Availity Portal for CCP.
- If you are not currently registered with Availity, [click here](#) to get registered to use the Availity Portal for CCP.
- For assistance with registration to the Availity portal, please [click here](#) to access an on-demand training video.
- To learn more about these options, visit [www.availity.com](http://www.availity.com) or contact Availity at 1-800-282-4548. We know you will enjoy industry leading products and services that will bring value to your organization!

Epic Link Site Manager Designation for a Sponsored Referred Group or CCP Participating Provider Practice

Responsibility of the designated sponsor representative for the Credentialed/Referring Physician or Referred Group:
When a Credentialed/Referring Physician Practice or Referred Group (herein referred to as the “Sponsored/Referred Group”), requires access to Memorial Healthcare Systems (MHS) Epic Link system, Community Care Plan (CCP) requires the designation of a sponsor. The designated sponsor representative must be a CCP Participating Provider/Referring Physician or CCP Provider Operations Representative working with the “Sponsored/Referred Group” who agrees to the following responsibilities:

- Sponsor the Group/Physician Practice and the assigned Epic Link Site Manager(s) by signing the Epic Link Site Manager Designation Form below.
- Communicate to the MHS IT Department if the Site Manager(s) assigned on this form leaves the Sponsored/Referred Group/Physician Practice.
- Communicate to the MHS IT Department immediately if the Sponsored/Referred Group ceases to provide referring services to their patients (i.e., if the relationship between the referring provider/agency and CCP is terminated).

Responsibility of Epic Link Site Manager(s)
Each Sponsored/Referred Group/Physician Practice must have at least one Lead Site Manager. The Lead Site Manager must be the Medical Director, Agency Director, or Office Manager for the group requesting access.

The Lead Site Manager for each Sponsored/Referred Group/Physician Practice will be responsible for:

- Signing each MHS Access Request Form for each member of the Sponsored/Referred Group/Physician Practice requesting access.
- Inactivating users who have left the group/practice, immediately upon termination.
- Completing a monthly Site Verification in Epic Link. Site Verification is a function in Epic Link that allows the Site Manager(s) to validate the Epic/Epic Link access for all of its employees. Site Verification ensures that access to Epic/Epic Link is terminated for any staff that has left the group/practice.

If the Lead Site Manager is not able to perform the Site Verification task, a second Site Manager can be designated to complete this task.

IMPORTANT: if this monthly Site Verification is not completed in a timely manner, MHS will be alerted, which will result in termination of MHS Epic/Epic Link access for each member of the non-compliant Sponsored/Referred Group or Referring Physician Practice.
