Provider Bulletin

Attention:	Participating Providers		
Subject:	Outpatient Imaging – update		
Program:	District Cares	Bulletin Date:	7/1/2023
Bulletin Number:	23 - 002	Effective Date:	7/1/2023

Notice:

To Participating Providers

- Update to the Participating Provider Bulletin 23-001 – outpatient imaging clarification for outpatient imaging place of service type.
- Effective 7/1/2023, all outpatient imaging is required to be done at in-network Independent Diagnostic Testing Facilities (IDTF) to qualify for reimbursement. Lakeside Medical Center is excluded from this requirement.

Effective April 1, 2019 – Community Care Plan (CCP) will serve as the District Cares Program third-party administrator (TPA) to administer the following delegated services: ***Enrollee Eligibility Status Verification, Authorizations, and Claims Processing.***

In order for providers to check eligibility status for enrollees, submit and check the status of authorization requests, and check the status of claims, they are required to register for Community Care Plan's ***Provider Portal – PlanLink***. The following is required from each provider's office:

- Please visit https://epiclink.mhs.net/planilinkCCP/common/epic_login.asp to access ***CCP PlanLink***
- Please [Community Care Plan - Providers for Health Care District of Palm Beach \(ccpcares.org\)](https://ccpcares.org) for information about ***CCP PlanLink***

If you have any questions, please contact the Provider Services Department at (855) 819-9506.

Please insert the bulletin into your Provider Handbook. The policies and procedures in this bulletin supersede any related policies and procedures in the handbook.
