There is a lot of information about the Coronavirus going around and we want to help you understand how to keep yourself healthy. We are here for you, if you develop fever and a cough, please call us before coming into the clinic. You will be given an appointment or talk to a physician to answer your questions. Wash your hands often with warm water and soap or use hand sanitizer with 60% alcohol or more. Cover your mouth and nose with tissue or your elbow when you cough and sneeze. Avoid contact with people who are sick. Please call 561-642-1000 if you have any questions.

Hay mucha información sobre el Coronavirus y queremos ayudarle a comprender cómo mantenerse saludable. Estamos aquí para ayudarle, si tiene fiebre y tos, llámenos antes de venir a la clínica. Se le dará una cita o hablará con un médico para responder sus preguntas. Lávese las manos con frecuencia con agua tibia y jabón o use desinfectante para manos con 60% de alcohol o más. Cubra su boca y nariz con pañuelos desechables o su codo cuando tosa y estornude. Evite el contacto con personas enfermas. Llame al 561-642-1000 si tiene alguna pregunta.
