NOTE: The Health Care District of Palm Beach County is closely monitoring the latest information and guidelines on the Coronavirus (COVID-19) in coordination with the Florida Department of Health (FDOH) and the Centers for Disease Control and Prevention (CDC). The State of Florida confirms that there are currently no documented cases of Coronavirus in Palm Beach County. As a county provider of health care services, the Health Care District is taking a proactive approach to ensure required preparations are in place to support the health and well-being of our patients, medical staff and employees.
