The Health Care District of Palm Beach County is committed to achieving community immunity. To date, we have provided more than 220,000 doses of the COVID-19 vaccine. We encourage all eligible Floridians to get vaccinated against COVID-19 by reaching out to their primary care provider or one of the many pharmacies throughout Palm Beach County.

Community Health Assessments
2019

2019 Lakeside Medical Center Community Health Assessment (PDF)
2019 Lakeside Medical Center Community Implementation Plan (PDF)
In 2018, the Health Care District of Palm Beach County Board of Commissioners approved the Lakeside Medical Center 2015-2018 Implementation Strategy PDF.

The 2017 Community Health Improvement Plan (CHIP) (PDF) is a collaborative effort by a diverse group of community leaders, stakeholders, Florida Department of Health in Palm Beach County and the Health Care District of Palm Beach County that serves as a directional roadmap committed to improving the health and quality of life of Palm Beach County residents.

In 2016, the Health Council of Southeast Florida (HCSEF) was enlisted by the Health Care District and the Florida Department of Health in Palm Beach County to facilitate the Community Health Needs Assessment (PDF) to identify unmet health needs of community residents and to inform and guide future health planning initiatives to meet those needs.

The 2016 Glades Region Health Assessment (PDF) is a subset of the overall Palm Beach County Community Health Needs Assessment.
