The Health Care District is currently scheduling COVID-19 vaccination appointments for the following populations identified in the Governor’s executive order:

- **Persons 60 years of age and older.**
- **Health care personnel with direct patient contact.** (Must bring WORK/ID Badge)
- **K-12 school employees 50 years of age and older.** (Must bring WORK/ID Badge)
- **Sworn law enforcement officers 50 years of age and older.** (Must bring WORK/ID Badge)
- **Firefighters 50 years of age and older.** (Must bring WORK/ID Badge)
- **Persons ages 18+ deemed extremely vulnerable to COVID-19** as attested by their licensed physician. The form prescribed by the Florida Department of Health must be provided to establish eligibility. Please [click here](https://www.hcdpbc.org) to obtain the form.

If you are in one of these groups and would like to schedule an appointment, please visit [vaccine.hcdpbc.org](https://www.vaccine.hcdpbc.org), or click the green button below.
This will place you in a virtual waiting room until vaccines become available.

For more information about COVID-19 or testing locations, click the blue button below.

Community Health Assessments
2019
2019 Lakeside Medical Center Community Health Assessment (PDF)
2019 Lakeside Medical Center Community Implementation Plan (PDF)
2018
In 2018, the Health Care District of Palm Beach County Board of Commissioners approved the Lakeside Medical Center 2015-2018 Implementation Strategy PDF.

2017
The 2017 Community Health Improvement Plan (CHIP) (PDF) is a collaborative effort by a diverse group of community leaders, stakeholders, Florida Department of Health in Palm Beach County and the Health Care District of Palm Beach County that serves as a directional roadmap committed to improving the health and quality of life of Palm Beach County residents.

2016
In 2016, the Health Council of Southeast Florida (HCSEF) was enlisted by the Health Care District and the Florida Department of Health in Palm Beach County to facilitate the Community Health Needs Assessment (PDF) to identify unmet health needs of community residents and to inform and guide future health planning initiatives to meet those needs.

The 2016 Glades Region Health Assessment (PDF) is a subset of the overall Palm Beach County Community Health Needs Assessment.
