The Health Care District of Palm Beach County is committed to achieving community immunity. To date, we have provided more than 220,000 doses of the COVID-19 vaccine. We encourage all eligible Floridians to get vaccinated against COVID-19 by reaching out to their primary care provider or one of the many pharmacies throughout Palm Beach County.

For more information please visit our COVID-19 Information Center page.
Serving the health needs of the community for more than 30 years

Community Health Assessments
2022
2018
In 2018, the Health Care District of Palm Beach County Board of Commissioners approved the Lakeside Medical Center 2015-2018 Implementation Strategy PDF.

2017
The 2017 Community Health Improvement Plan (CHIP) (PDF) is a collaborative effort by a diverse group of community leaders, stakeholders, Florida Department of Health in Palm Beach County and the Health Care District of Palm Beach County that serves as a directional roadmap committed to improving the health and quality of life of Palm Beach County residents.

2016
In 2016, the Health Council of Southeast Florida (HCSEF) was enlisted by the Health Care District and the Florida Department of Health in Palm Beach County to facilitate the Community Health Needs Assessment (PDF) to identify unmet health needs of community residents and to inform and guide future health planning initiatives to meet those needs.

The 2016 Glades Region Health Assessment (PDF) is a subset of the overall Palm Beach County Community Health Needs Assessment.
