The Health Care District is currently scheduling COVID-19 vaccination appointments for the following populations identified in the Governor’s executive order:

- **Persons 60 years of age and older.**
- **Health care personnel with direct patient contact.** (Must bring WORK/ID Badge)
- **K-12 school employees 50 years of age and older.** (Must bring WORK/ID Badge)
- **Sworn law enforcement officers 50 years of age and older.** (Must bring WORK/ID Badge)
- **Firefighters 50 years of age and older.** (Must bring WORK/ID Badge)
- **Persons ages 18+ deemed extremely vulnerable to COVID-19** as attested by their licensed physician. The form prescribed by the Florida Department of Health must be provided to establish eligibility. Please [click here](https://www.vaccine.hcdpbc.org) to obtain the form.

If you are in one of these groups and would like to schedule an appointment, please visit [vaccine.hcdpbc.org](https://www.vaccine.hcdpbc.org), or click the green button below. This will place you in a virtual waiting room until vaccines become available.
For more information about COVID-19 or testing locations, click the blue button below.

• No visitors for isolation patients – visitation may be granted on a case by case bases

Welcome to Lakeside
Lakeside Medical Center is a top-ranked public hospital by America’s Essential Hospitals. Some of our national awards include the 2020 gold-level AORN Go Clear Award™ for safety in surgery, an “A” safety grade as a top hospital in the nation for patient safety from Leapfrog’s Hospital Safety Grade, Fall 2018 and Top Performer on Key Quality Measures by the Joint Commission in 2011, 2013 and 2014. In 2020, our Family Medicine Residency Program graduated its eighth class of Family Medicine Residents. We are Florida’s only rural, teaching hospital.

Our staff is committed to serve. Our employees work to ensure high quality care and access for all, especially the most vulnerable. We are proud to have extremely high patient satisfaction. Our patients are key to that success. We want to hear from you. If you want to commend those who cared for you, let us know. If there are ways we can improve, let us know. With your help, we will continue to change lives and impact generations.

A big part of our impact is thanks to our “Hospitalists.” Hospitalists are working in our Family Medicine Residency Program. They are committed to improving the health of our community. They help us expand access and build capacity. Our hospitalists believe it is a privilege to serve “the Glades”.

Medical Center
Our goal is to meet your needs. We know you have a choice. We are glad you trust us to take care of you and your family!
