Our Medical Staff

Our highly-trained, qualified and professional medical staff is comprised of clinicians who are Board-certified in the primary care specialties of Family Practice, General Practice, Pediatrics and Mental Health Services. Assisting the clinicians are nurse practitioners and family practice residents who work together to provide high-quality medical care. Registered Nurses work with Certified Medical Assistants using technologically-advanced health care equipment and treatment programs.

A Patient Financial Counselor and Case Manager will refer patients to other social and health care services.

Billing for services

The C. L. Brumback Primary Care Clinics serve patients regardless of ability to pay.

Your financial responsibility for services will be based on your financial classification, the services you receive, and any insurance co-payments.
