Proyles of Success

Since the Trauma System began in 1991, more than 68,000 trauma victims have received treatment for life-threatening injuries. Thanks to the talent and skill of the dedicated professionals who serve in the Trauma System, many trauma victims have returned to their daily lives. Here are a few of the survivors and their stories of gratitude.
"He always wanted to be a paramedic and work on Trauma Hawk," says Charity Camerino. She never imagined that her son’s first flight on Trauma Hawk, one of the Health Care District of Palm Beach County’s two air ambulances, would be due to a traumatic brain injury resulting from a crime.

Kara Curley, 29

At age 26, Kara Curley’s life changed forever when she was in a car crash that left her with a traumatic brain injury (TBI.) She cannot remember being transported by air or much about the accident, bu ...
