School Health

Celebrating 25 Years of partnership in the School Health Services Program

Keeping Students Healthy and Ready to Learn

The Health Care District of Palm Beach County is committed to being the health care safety net for Palm Beach County. Along with our partners, the School District of Palm Beach County and the Palm Beach County Department of Health School Health, we are committed to promoting and improving the health and #wellnessforourstudents through a School Health Program that prevents and addresses physical, social and emotional health problems; achieves learning readiness; and, enhances
their quality of life.

The Services provided to students, by our caring, dedicated and competent #HCDSchoolHealthHero staff, include nursing assessments, first aid, medication administration, chronic health condition management, FL mandated screenings (Vision, Hearing, BMI and Scoliosis), COVID-19 Screening and testing, referrals and consultations with parents and providers.

**New for the 2022-2023 School Year:** No Cost testing in the Health Room for COVID-19 and influenza A/B (FLU) testing, with parent/guardian consent, using the Abbott ID Now machines.

In the 2021-2022 school year, the Health Care District’s School Health Program, located in 166 PBC Public Schools, received 563,593 Visits from 107,843 unique students, including:

- 130,136 COVID-19 screenings and 13,224 COVID-19 Tests
- 125,126 Vision, Hearing, BMI, and Scoliosis screenings
- 112,867 medication administration
- 108,209 illness and injury
- 66,726 procedures
- 44,445 record reviews
- 24,905 consultations

**91% of the students seen in the Heath Room are able to return to class**
