The Region

Lakeside Medical Center is situated on a beautiful 50-acre medical campus at the intersection of SR 441 and SR 80 (Hooker Highway). The surrounding region, popularly known as “the Glades,” is blanketed with fertile farmlands.

The hospital is just a few minutes from the marinas, campgrounds, and

scenic nature trails of Lake Okeechobee. Just a half hour’s drive to the east are the West Palm Beach suburban communities of Royal Palm Beach and Wellington, offering additional educational opportunities, cultural events, and shopping options.

No matter where you live, the oceanfront towns, with their pristine beaches and lively social and cultural scenes, are no more than an hour away.
