First Impressions Art Gallery

Showcasing the artistic talent and vision of our team members

Employee Art Gallery

FIRST IMPRESSIONS

The Health Care District of Palm Beach County is proud to employ a diverse team of more than 1,300 professionals, all with unique skills, talents, interests and passions.

The First Impressions Employee Art Gallery is our opportunity to showcase some of our team members' unique talents and share their

artistic work with colleagues, patients, residents and visitors. Featured artwork could include paintings, photography, pottery, crafts or other types of visual art.

The Employee Art Gallery is displayed in rotation at our home office, Lakeside Medical Center in Belle Glade and the Edward J. Healey Rehabilitation and Nursing Center in Riviera Beach.
