# Brumbuck Clinics reach out to agricultural community in the Glades

On November 3rd, the C. L. Brumbuck Primary Care Clinics in Belle Glade partnered with Sugar Cane Growers Cooperative of Florida for an influenza vaccine outreach to agricultural workers in the Glades.

Over the course of two days, staff from the Brumbuck Clinics' Belle Glade clinic, including Hayword Morrison RN, Marie Ferdinand, MA and Irma Paniagua, Registration Specialist, provided 83 agricultural workers with the flu vaccine in the fields where they worked.

The event was part of an effort to keep the agricultural community healthy during the season.
