The C. L. Brumback Primary Care Clinics' new mobile health clinic is traveling throughout the county to deliver quality care. On November 16th, the clinic on wheels participated in the Homeless Coalition's Project Homeless Connect event in Boynton Beach. There the medical staff treated 10 patients, signed up several other attendees for health coverage and ^{TOP} linked them to local resources. The following day in Belle Glade, the mobile

health clinic served another nine patients at the 2nd Annual Health and Wellness Festival that was coordinated by the Palm Beach County HIV CARE Council. The mobile clinic provides physicals, diabetes and colorectal cancer screenings, behavioral health services and more to the homeless and underserved in our community.
