Lakeside Medical Center's Administrator Discusses Hospital Initiatives and Opportunities at Glades Community Forum

Lakeside Medical Center Hospital Administrator Janet D. Moreland, ARNP, MSN, LHRM discussed career opportunities and new hospital initiatives at the November 14th community forum, "Strengthening Communities for the Future: Economic Development of the Glades Area." Government and community leaders attended the forum, which was hosted by Palm Beach State College's Belle Glade campus and was held at the Dolly Hand Cultural Arts Center.

Ms. Moreland, who grew up in the Glades, shared that the acute-care teaching facility in Belle Glade is one of the area's largest employers with over 300 employees. She touched on career opportunities for newly graduated registered

nurses, current job openings at the hospital as well as at the Health Care District of Palm Beach County, the public health care system that owns and operates the 70-bed hospital. Ms. Moreland also talked about exploring a partnership with West Technical Educational Center for a phlebotomy program.

In addition, Ms. Moreland discussed this month's relocation and grand opening of the C. L. Brumback Primary Care Clinics' Belle Glade Clinic within the hospital. The clinic provides adult and pediatric patients with one-stop-shopping for medical, dental, behavioral health and soon pharmacy services as well. The clinic serves all patients regardless of ability to pay and offers patients a sliding fee scale.

Also attending the forum were Karen A. Harris, Vice President of Field Operations for
