Health Care District Offers Free, Walk-up Pediatric and Adult Pfizer COVID-19 Vaccines

The Health Care District of Palm Beach County reminds families that free, walk-up access to adult and pediatric doses of the Pfizer-BioNTech COVID-19 vaccines are available at sites countywide and weekdays from 9 a.m. to 4 p.m. outside the Health Care District's Lantana Clinic at 1250 Southwinds Drive where wait times are minimal. The Lantana site is open Monday, November 22 through Wednesday, November 24 and is closed for both Thanksgiving and Friday, November 26.

“Our mobile clinics are crisscrossing the county and are also conveniently parked outside our Lantana Clinic during the week for adults and children

as young as five to be vaccinated against COVID-19,” said Belma Andrić, MD, MPH, the Health Care District’s Chief Medical Officer. “No appointment is necessary and boosters of the Pfizer COVID-19 vaccine are also available per [CDC guidelines](#) for those who are eligible.”

Third doses are provided to eligible individuals 18 years and older who present their COVID-19 Vaccination Record Card showing they received two prior Pfizer doses.

The pediatric dose is one-third the strength of the vaccine formulated for individuals ages 12 and older and is authorized by the [FDA](#) and approved by the [U.S. Centers for Disease Control and Prevention](#) (CDC) for children ages 5 through 11. According to the CDC, COVID-19 is the eighth-leading cause of death among this young age group. Children ages 5 through 17 must be with a parent or guardian to be vaccinated. To date, the Health Care District has provided nearly 223,000 COVID-19 vaccinations countywide. The Health Care District is partnering with the [School District of Palm Beach County](#) and will be at the following sites through the next two weeks:

About the Health Care District

The Health Care District of Palm Beach County provides primary medical care and dental services for adults and children at the C. L. Brumback Primary Care Clinics, a coordinated and lifesaving Trauma System that includes two FAA-certified Trauma Hawk air ambulances, registered nurses in nearly 170 public schools, short and long-term skilled nursing at the Edward J. Healey Rehabilitation and Nursing Center in Riviera Beach, and acute care at its teaching hospital, Lakeside Medical Center, which is accredited by The Joint Commission and serves the rural Glades' communities.

About the C. L. Brumback Primary Care Clinics

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number H80CS25684 for Health Center Cluster in the award amount of \$7,111,563. Of the total project, 81.9% is financed with nongovernmental sources. This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by

HRSA, HHS or the U.S. Government. The C. L. Brumback Primary Care Clinics were granted Federal Tort Claims Act (FTCA) deeming status effective January 1, 2021.
