- Health Care District of Palm Beach County Takes a Stand to Prevent Falls - Taking a tumble is a risk for those who climb ladders or trees. For older adults, staying on their feet can also present a challenge. While falls are not a normal part of aging, every second of every day in the United States an adult 65 years or older suffers a fall. According to the Centers for Disease Control and Prevention (CDC), one out of four older adults will fall each year in the U.S.
- Health Care District's Brumback Clinics Receive Health Center Quality Leader and Pandemic Response Awards - For the third year in a row, the Health Resources and Services Administration (HRSA) recognized the Health Care District of Palm Beach County's C. L. Brumback Primary Care Clinics as a gold-level "Health Center Quality Leader" for ranking among the top 10% of health centers nationally for clinical quality. HRSA also honored the Brumback Clinics for its contributions in responding to the COVID-19 public health emergency with

countywide COVID-19 testing and vaccinations.
