Associate Vice President and Hospital Administrator

Janet Moreland has more than 35 years of experience in hospital, home health, skilled nursing, community and public health primary care environments and has served as clinical faculty. As Hospital Administrator, Mrs. Moreland oversees the daily operations of the 70-bed, acute-care teaching facility in Belle Glade.

Before she was named Hospital Administrator in June 2019, Mrs. Moreland served as Lakeside Medical Center's Director of Nursing, overseeing the leadership and direction of nursing, case management, nurse navigation, and clinical education at the hospital. Prior to that, she served as the hospital's Director of Quality and Patient Safety.

In that role, Mrs. Moreland led successful initiatives to improve the safety, effectiveness and efficiency of the medical services Lakeside Medical Center provides to its patients. Thanks in large part to her leadership, Lakeside Medical Center was named an "A" rated, top hospital in the nation for patient safety, as recognized by Leapfrog's Hospital Safety Grade for the fall of 2018. The hospital ^{TOP} also received the 2018 Florida Hospital Association (FHA) Hospital Improvement Innovation Network (HIIN) Award for excellence in
