Sponsored Programs for Calendar Year 2023 Coming Soon

Sponsored Programs are non-profit community agencies that have a funding agreement with the Health Care District of Palm Beach County to provide health or health-related services to the uninsured, underinsured or indigent county residents. These services help fulfill our mission to be the health care safety net for Palm Beach County. This annual grant process to agencies with compatible missions is one of the many ways we work to provide health services to keep our community healthy.

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number H80CS25684 for Health Center Cluster in the award amount of $7,278,563. Of the total project, 86.4% is financed with nongovernmental sources. This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government.
