Health Care District COVID-19 Updates

The Health Care District of Palm Beach County has been monitoring the latest information and guidelines on the Coronavirus (COVID-19) in coordination with the Florida Department of Health (FDOH) and the Centers for Disease Control and Prevention (CDC). The Health Care District and its health facilities have taken a proactive approach to ensure that required preparations and protocols are in place to provide timely, safe and quality care for our patients.

Due to the ongoing medical crisis, the Health Care District is activating the following emergency plans at our facilities:

C. L. Brumback Primary Care Clinics: We are encouraging all patients to call **561-642-1000** to for any information regarding the clinics or

COVID-19 testing between 8 am to 5 pm Monday through Friday.

Lakeside Medical Center:

As COVID-19 continues to be a risk, we remain committed to taking precautionary measures to ensure the safety of patients, visitors, and staff:

Everyone entering the facility will be screened and assessed with a no touch thermometer.

If the temperature is greater than 100°F, the individual will not be permitted to enter the facility. Visitors who do not meet the screening criteria will not be allowed in the facility. Upon entering the hospital, everyone will be required to wear a mask at all times throughout the facility.

- **ONE (1) adult visitor allowed to accompany ER patients**
- **Patients admitted to a unit may have ONE (1) adult visitor, at a time, from 9:00 AM – 7:30 PM**
- **Surgical patient may have ONE (1) adult patient visitor accompany them to the hospital on the day of their procedure.**
- **Labor and delivery patient may have ONE (1) adult companion, for the duration of labor.**
